Dear Mr. Broome

RE: Licensing

Thank you for your letter, dated 22 July 2016, in respect of the above and submit the following Comments for your consideration, viz:-

1. If the license renewal fees are reviewed annually the proposed increase, in excess of 180%, appears to be inappropriate, excessive and not in line with inflation; nor is it supported by any apparent additional resourcing or input by the Council?
2. We can see no reason or logic in differentiating the renewal fees between Kennels & Catteries and Home Boarding; if anything we feel that the Council input is likely to be greater in respect of the latter?
3. We fail to understand why the proposed Conditions for Dog and Cat Boarding, Pet Shops, Dog Breeding and Riding Establishments regarding insurance and supervisor eligibility are listed as N/A to Home Boarding or "Doggy Day Care"?
