1.0    ISSUE

1.1    That Members approve the proposed East Cambridgeshire District Council's Street Collection Licensing Policy at **Appendix 1**.

2.0    RECOMMENDATION(S)

2.1    That Members approve the proposed Street Collection Licensing Policy, amended in line with consultation responses, to come into force for applications received from 1 January 2013 onwards.

3.0    BACKGROUND

3.1    East Cambridgeshire District Council, as the Licensing Authority, is empowered under Section 5 of the Police, Factories, Etc (Miscellaneous Provisions) Act 1916, as amended by the Local Government Act 1972, to licence collections made in 'any street or public place' for 'charitable or other purposes'.

3.2    Section 5 of the Police, Factories, Etc (Miscellaneous Provisions) Act 1916 allows local authorities to adopt provisions concerning the regulation of street collections in their districts.

3.3    Under Section 5 of the Police, Factories, Etc (Miscellaneous Provisions) Act 1916 there is no legal requirement for the Council to adopt a policy on how it proposes to licence charitable street collections under the Act. However, it is considered best practice for the Council to adopt such a policy to encourage consistency and transparency in the way applications for street collection permits are considered and granted.

3.4    The Council's Licensing Committee of 13 June 2012 approved a minimum twelve-week consultation exercise to be undertaken on East Cambridgeshire District Council's draft Street Collection Licensing Policy with relevant stakeholders and the general public.

- 3.5 A copy of the draft Street Collection Licensing Policy and Regulations made by East Cambridgeshire District Council with regard to Street Collections was displayed on the Council's website and public notice board in the Council reception, with copies made available for viewing in the public libraries within the district for the duration of the consultation period from 25 June 2012 to 21 September 2012.
- 3.6 A copy of the draft policy and Regulations was sent to eighty-four consultees representing stakeholders and members of the public.
- 3.7 Three responses were received within the consultation period from City of Ely Council, Littleport Parish Council and Mepal Parish Council.
- 3.8 The comments raised in the three consultation responses regarding the content of the proposed Street Collection Licensing Policy are attached as **Appendix 2** to this document.
- 3.9 Amendments made to the proposed Street Collection Licensing Policy as a result of the consultation responses are shown in italics throughout the policy document.
- 4.0 ARGUMENTS/CONCLUSIONS
- 4.1 The proposed policy sets out how East Cambridgeshire District Council would approach its licensing functions under Section 5 of the Police, Factories, Etc (Miscellaneous Provisions) Act 1916.
- 4.2 The finalised and adopted policy will provide guidance to potential applicants, relevant stakeholders, the general public, Licensing Officers and Members of the principles which will be applied by the Council when carrying out street collection licensing functions.
- 4.3 In preparing the proposed Street Collection Licensing Policy, Licensing Officers carried out extensive research regarding the proposed policy and Regulations with other local authorities both locally and nationally and have sought guidance from the Institute of Fundraising and Local Government Regulation, formerly Lacors.
- 4.4 Licensing Officers also had regard to Directive 2006/123/EC of the European Parliament and of the Council of 12 December 2006 on services in the international market.
- 4.5 The EU Directive relates to a number of licensing regimes, including the issuing of street collection permits. The Council is required to examine existing procedures and formalities for those licensing regimes covered by the EU Directive and, where possible, simplify application procedures, including making provision for on-line applications, and remove any unnecessary conditions or barriers to the grant of a licence or permit.

4.6 The EU Directive also refers to ‘overriding reasons relating to the public interest’, which allows for specific application procedures to be introduced and specific conditions to be attached to the licence to uphold such issues as public safety, public security, protection of consumers, combating fraud and the protection of the environment and animals.

4.7 Matters contained within the proposed Street Collection Policy seek to uphold the issues stated in paragraph 4.6, to ensure that all street collections are carried out in a professional and responsible manner and that the general public can be assured that all necessary checks have been undertaken to combat fraud and all monies collected are properly accounted for.

# EAST CAMBRIDGESHIRE DISTRICT COUNCIL STREET COLLECTION LICENSING POLICY

## 1.0 Introduction

- 1.1 East Cambridgeshire District Council, as the Licensing Authority, is empowered under Section 5 of the Police, Factories, Etc (Miscellaneous Provisions) Act 1916, as amended by the Local Government Act 1972, to licence collections made in 'any street or public place' for 'charitable or other purposes'.
- 1.2 It is unlawful in the United Kingdom to hold, for the benefit of charitable, benevolent or philanthropic purposes, a street collection on any street or public place without first obtaining a Street Collection Permit from a Licensing Authority such as East Cambridgeshire District Council.
- 1.3 'Street' is defined as including any highway and any public bridge, road, lane, footway, square, court, alley or passage whether a thoroughfare or not.
- 1.4 A 'public place' is defined as a 'place where the public has access'. The public place need not be in public ownership and includes shopping centres and malls and the entrances to shops.
- 1.5 Charitable collections that take place inside a shop, store, supermarket or other business at the discretion of the manager or relevant individual do not require a Street Collection Permit provided that collectors remain inside the premises and do not collect outside on the premises frontage or in the premises car park, even if the outside area is in private ownership.
- 1.6 Where a charitable collection takes place outside the premises on the premises frontage or in the premises car park, even if the outside area is in private ownership, a Street Collection Permit would be required together with the consent of the store manager.
- 1.7 Street collection permits holders are not restricted to the collection of money only, as a Street Collection Permit also covers the sale of charitable items in a public place, which is exempt from the requirement of a Street Traders' Licence under Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982.
- 1.8 If the sale of charitable items in a street or public place requires the use of a stall or table, written permission to erect the stall or table must be obtained from Cambridgeshire County Council's Highways Department or the owner of the land prior to a Street Collection Permit being issued by the Licensing Authority.
- 1.9 A street collection or sale of charitable items held in conjunction with a Pedlar's Licence will not be permitted in the East Cambridgeshire district without an appropriate Street Collection Permit having been issued by the Licensing Authority.
- 1.10 A street collection or sale of charitable items held in conjunction with busking activities will not be permitted in the East Cambridgeshire district without an appropriate Street Collection Permit having been issued by the Licensing Authority. Buskers collecting or purporting to collect for a charitable or benevolent purpose must be able to provide evidence to confirm this, such as a letter from the charity

confirming that the busker is acting on their behalf.

- 1.11 Regulations to the Act state that moving collections such as carnival processions and other similar events involving the collection of donations from the public along a route will require a Street Collection Permit (unless the Licensing Authority has waived this requirement pursuant to Regulation 12 with regard to street collections).
- 1.12 Although there is no statutory charge for the issue of a Street Collection Permit, a nominal charge will be levied for replacement permits due to loss of or damage to of the original permit.

## **2.0 Policy aims**

2.1 The aims of the Licensing Authority are to:

- safeguard the interests of both public donors and beneficiaries;
- facilitate well organised collections by bona fide charitable institutions and to ensure that good standards are met;
- prevent unlicensed collections from taking place;
- ensure money is collected in appropriate vessels only;
- ensure that collectors are properly authorised;
- ensure that the Licensing Authority receives, within the prescribed statutory timescales, a statement as regards the sums received during the collection; and
- ensure that the proceeds of the collection are properly accounted for.

## **3.0 Objectives**

3.1 To achieve its aims, the Licensing Authority will:

- ensure impartiality and fairness in determining applications;
- accommodate all eligible requests, whilst bearing in mind that certain days and locations are especially sought after;
- provide equality of opportunity for would-be collectors;
- avoid causing undue nuisance to the public;
- set fair maximum limits for each applicant;
- achieve a fair balance between local and national causes.

3.2 The licensing authority recommends that all organisations adhere to the Institute of Fundraising's Code of Fundraising Practice. A copy of this code of practice can be found at [www.institute-of-fundraising.org.uk](http://www.institute-of-fundraising.org.uk)

## 4.0 Collection areas and collection times

4.1 Applications to carry out street collections may be made for Ely *City Centre* and Littleport and Soham Town Centres and any of the villages within the East Cambridgeshire district.

4.2 In the three major *city and* town centres collectors will only be permitted to carry out collections in the areas stated below:

Ely *City Centre*: Forehill, High Street, Lynn Road, Market Place, Market Street, *Newnham Street, Palace Green*, St Mary's Street, *The Gallery* and the Cloisters Shopping Mall (in a designated collection area to be previously agreed between the Council and the Cloisters managing agency).

Littleport Town Centre: Crown Lane, Ely Road, Globe Lane, Granby Street, High Street, *Main Street*, Station Road, Victoria Street, Wellington Street and Wisbech Road.

Soham Town Centre: Clay Street, Churchgate Street, Fountain Lane, High Street, Pratt Street, Red Lion Square and Sand Street.

4.3 Applications for street collections may be made for any of the out-of-town stores or supermarkets as specified in paragraphs 1.4 to 1.6 above.

4.4 Applications may be made to sell charitable items and collect money donations at the allocated Ely Market Place charity stall.

4.5 Only one street collection will be permitted per day in each of the *city and* town centres and any of the villages within the East Cambridgeshire district. However, exceptions may be made:

- where the charitable collection is part of a larger national/countywide event and the collectors are merely passing through the area;
- where the collection is part of a carnival procession or other similar event involving the collection of donations from the public along a route;
- for small-scale collections in a limited area;
- *for small local charities to collect on specific defined days during the pre-Christmas period;*
- for organised one-day charitable events;
- for the charity stall in Ely Market Place.

4.6 Street Collection Permits will be limited to a maximum of two consecutive days only, with the exception of permits issued for the Royal British Legion 'Poppy Appeal' and emergency collections for national and international disasters.

4.7 Street collections will ordinarily be expected to take place between hours of 10:00

and 18:00.

- 4.8 The use of animals in conjunction with street collections is discouraged. However, consideration will be given to the use of some animals, such as guide dogs, on request.
- 4.9 The Licensing Authority will not require any charity collection or sale of charitable items made in the open air at events, such as boot sales, school and village fetes, dog shows, etc., to be issued with a Street Collection Permit. Collectors must seek permission from the event organiser and after the collection/sale has taken place, advise the organiser of the amounts raised and the amounts provided for charitable purposes.
- 4.10 The Licensing Authority requires organisers of large public events such as Christmas late night shopping events or *city and* town centre festivals to apply for an 'umbrella' Street Collection Permit for the event. The organiser will provide the Licensing Authority with a list of the participating charities and be responsible for ensuring each organisation completes a returns form and all returns forms are returned to the Licensing Authority within the statutory timescale.

## **5.0 Regulations**

- 5.1 Charities must be registered with the Charity Commission or be a charitable organisation based in or around the East Cambridgeshire district. Priority will be given to local charitable organisations.
- 5.2 Where a statement of return has been 'NIL' or there has been a failure to return the statement of return to the Licensing Authority within the statutory timescale, subsequent applications for a two-year period will be refused.
- 5.3 Where a street collection permit has been issued and the collection is cancelled by the organisation, the permit must be returned to the Licensing Authority at least seven days before the collection is due to take place. Failure to do so will result in subsequent applications for a two-year period being refused.
- 5.4 Deductions for travel expenses to and from the place of collection will not be permitted.
- 5.5 All street collections will be conducted in strict adherence to the Regulations made by East Cambridgeshire District Council with regard to the grant of a Street Collection Permit.

## **6.0 Application procedure**

- 6.1 Applications must be made on the Council's prescribed application form.
- 6.2 Charitable organisations will be limited to a maximum of four street collections per annum in each of the major *city and* towns in the East Cambridgeshire district – Ely, Littleport and Soham. This limit does not include a permit to use the Council's charity market stall or charitable collections at boot sales, school and village fetes, dog shows, etc.
- 6.3 Applications for a street collection permit cannot be made more than six months in advance.

- 6.4 Applications for a Street Collection Permit will be dealt with on a case-by-case basis.
- 6.5 There must be a minimum of 28 days notice given between the application and the proposed date of collection. This requirement may be waived in exceptional circumstances at the discretion of the Licensing Officer.
- 6.6 Exceptional circumstances would be:
- street collections required in times of national and international disasters;
  - street collections of national importance, such as Children in Need and Red Nose Day where the public are encouraged to carry out 'spontaneous' collections.
- 6.7 A copy of the contract between the street collection organiser and the benefiting charity must be provided with the application.
- 6.8 Where the proposed collection is for outside a store or supermarket, written permission from the store manager must be provided with the application.
- 6.9 Where the proposed collection is to sell charitable items and collect money at the Ely Market charitable stall, written permission from the Council's Market Supervisor must be provided with the application.
- 6.10 Where the proposed collection is to sell charitable items in a street or public place using of a stall or table, written permission to erect the stall or table from either Cambridgeshire County Council's Highways Department or the owner of the land must be provided with the application.
- 6.11 Proof of public liability insurance cover of £5,000,000 must be provided with the street collection application for all proposed street collections in the East Cambridgeshire district, including where permission is sought for a charity stall.
- 6.12 Where permission is sought for an animal to be used during a street collection, proof of public liability insurance cover of £5,000,000, specifically including the use of animals and a health and safety risk assessment to cover the use of the animals at the proposed location and date, must be provided with the application.

## **7.0 Allocation of permits**

- 7.1 When deciding whether to grant a Street Collection Permit, consideration will be given to:
- if the collection is linked to specific events within the district;
  - if the collection is linked to a nationwide campaign, for example, Children in Need, Comic Relief, Remembrance Day;
  - if the collection will benefit local good causes, local hospices, community fund raising, etc;
  - if the collection is on behalf of a national charity, is there likely to be some benefit for the residents of East Cambridgeshire;
  - if the collection is applied for in connection with an outdoor challenge sponsorship event;

- what proportion of the funds collected will be applied for charitable purposes;
- has a permit been previously refused by East Cambridgeshire District Council or any other local authority.

7.2 Applications for street collection permits relating to outdoor challenge sponsorship events will be considered on a case-by-case basis to assess whether the proportion of funds collected to be applied towards the activity costs comply with the statutory requirement that no payment shall be made out of the proceeds of a collection, either directly or indirectly, to any person connected with the promotion or conduct of the collection.

7.3 Applications for street collection permits relating to emergency disasters will be considered on a case-by-case basis, even if they do not fall within any of the considerations listed above.

## **8.0 Sale of small society lottery tickets**

8.1 The sale of small society lottery tickets under the authorisation of a street collection permit is forbidden unless:

- separate permission to do so has been granted by the Licensing Authority;
- the organisation holds a valid small society lottery registration under the Gambling Act 2005;
- the lottery tickets have been properly printed in accordance with the legislation;
- the sale of the tickets will only take place from behind a counter or stall;
- proof of public liability insurance of £5,000,000 has been provided with the application;
- the sale of the lottery tickets will be in strict accordance with the Gambling Commission codes of practice.

## **9.0 Face-to-face activity**

9.1 Face-to-Face activity incorporates traditional face-to-face fundraising (soliciting direct debit donations) and what is commonly termed 'prospecting'. Prospecting is where members of the public are asked to sign-up to a cause which may or may not be followed by a fundraising ask at a later date.

9.2 Face-to-face activity can occur on the street or on public and private property such as shopping malls and railway stations.

9.3 Different governing bodies have statutory and non-statutory requirements throughout the UK. In most cases the local authority and/or the police will be the relevant statutory authority.

9.4 Before embarking on a face-to-face campaign in a public place in the East Cambridgeshire district, potential fundraisers must check the access management requirements and make an application for a street collection permit with East

Cambridgeshire District Council.

- 9.5 No face-to-face activity in a public place will be permitted within the East Cambridgeshire district without a Street Collection Permit having first been granted by East Cambridgeshire District Council.

## **10.0 Regulations pertaining to street collections**

- 10.1 East Cambridgeshire District Council has adopted regulations governing how street collections should be undertaken and the funds raised be accounted for and these are set out in the Council's Street Collection Regulations at Appendix 1 of this Policy.
- 10.2 In preparing the Street Collections Licensing Policy, Licensing Officers had regard to Directive 2006/123/EC of the European Parliament and of the Council of 12 December 2006 on services in the international market.
- 10.3 The EU Directive relates to a number of licensing regimes, including the issuing of street collection permits.
- 10.4 In accordance with the EU Directive, the Council has examined existing procedures and formalities relating to street collection permit applications and, where possible, has simplified application procedures, including making provision for on-line applications, and removed any unnecessary conditions or barriers to the grant of a street collection permit.
- 10.5 The EU Directive refers to 'overriding reasons relating to the public interest', which allows for specific application procedures to be introduced and specific conditions to be attached to a street collection permit to uphold such issues as public safety, public security, protection of consumers, combating fraud and the protection of the environment and animals.
- 10.6 Matters contained within the Street Collection Licensing Policy seek to uphold the issues stated in paragraph 10.5, to ensure that all street collections are carried out in a professional and responsible manner and that the general public can be assured that all necessary checks have been undertaken to combat fraud and all monies collected are properly accounted for.

## **11.0 Enforcement**

- 11.1 It is recognised that well-directed enforcement activity by the Council benefits not only the public but also responsible street collection permit holders.
- 11.2 In pursuing its objectives detailed in this Policy, the Council will operate a proportionate enforcement regime in accordance with the Council's Statement of Enforcement Policy and Practice.
- 11.3 The responsibility for the overall supervision of Street Collections lies with the Head of Environmental Services.

## **12.0 Departure from policy**

- 12.1 In exercising its discretion in carrying out its regulatory functions, East

Cambridgeshire District Council will have regard to this Policy document and the principles set out therein.

- 12.2 Notwithstanding the existence of this Policy, each application will be considered on its own merits based on the licensing principles detailed in this Policy.
- 12.3 Where it is necessary for the Council to depart substantially from this Policy, clear and compelling reasons for doing so must be given. The Head of Environmental Services may authorise a departure from the Policy in accordance with this section if it is considered necessary to do so in the specific circumstances.

**Regulations made by East Cambridgeshire District Council

City of Ely Council	04/09/12	<p>The policy should read as city centre and not town centre when referring to Ely.</p> <p>That the area defined as the City Centre of Ely under 4.2 should be extended to include The Gallery, Palace Green and Newnham Street. Although the recently formed City Centre Forum defined an even wider area to include the riverside, it is accepted that this area is better covered by licensing special events.</p> <p>That under 4.5, only one organisation should be permitted to collect on one day.
