

1 Development shall be carried out in accordance with the drawings and documents listed below

Plan Reference	Version No	Date Received
14:155-10		2nd April 2015

1 Reason: To define the scope and extent of this permission.

2 The development hereby permitted shall be commenced within 3 years of the date of this permission.

2 Reason: To comply with Section 91 of the Town and Country Planning Act 1990, as amended.

3 No above ground construction shall take place on site until details of the materials; to be used on the development have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

3 Reason: To safeguard the character and appearance of the area, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.

4 Prior to first occupation or commencement of use a full schedule of all soft landscape works shall be submitted to and approved in writing by the Local Planning Authority. The schedule shall include, planting plans, a written specification; schedules of plants noting species, plant sizes, proposed numbers/densities; and a detailed implementation programme. It shall also indicate all existing trees and hedgerows on the land and details of any to be retained. The works shall be carried out in accordance with the approved details prior to the end of the first planting season following occupation of the development.

4 Reason: To assimilate the development into its surroundings, in accordance with policies ENV1 and ENV2 of the East Cambridgeshire Local Plan 2015.

5 No development shall take place until a traffic management plan has been agreed with the planning authority. The traffic management plan should address the movement and control of muck away from lorries, contractor parking, movement and control of deliveries and control of dust, mud and debris in relationship to the operation of the adopted public highways.

5 Reason: In the interests of highway safety, in accordance with policies COM7 and COM8 of the East Cambridgeshire Local Plan 2015. The condition is a pre commencement condition to allow details of how the excavation will be mitigated against.

6 The private parking and access area shall be built in such a way as to prevent surface water from running off the site onto the footway of the public highway

6 Reason: In the interest of Highway Safety, in accordance with COM7 and COM8 of the East Cambridgeshire Local Plan.

7 The proposed driveway shall be constructed using a bound material, to prevent debris spreading onto the adopted public highway.

7 Reason: In the interest of Highway Safety, in accordance with COM7 and COM8 of the East Cambridgeshire Local Plan.

8 Within 2 months of the first occupation of the development, a scheme for the maintenance of the soft landscaping for a minimum period of 5 years shall be submitted to and agreed in writing by the Local

Planning Authority. All works shall be maintained in accordance with the agreed scheme. The scheme shall include the following:

- i) methods for the proposed maintenance regime;
- ii) detailed schedule;
- iii) details of who will be responsible for the continuing implementation.

- 8 Reason: To ensure the longevity of the landscaping scheme, in accordance with policy ENV1 and ENV2 of the East Cambridgeshire Local Plan 2015.
- 9 No development shall take place until an investigation and risk assessment of the nature and extent of any contamination on the site, whether or not it originates on the site, has been undertaken. The investigation and risk assessment must be undertaken by competent persons, and a written report of the findings must be submitted to and approved in writing by the Local Planning Authority. The report of the findings must include:
- (i) A survey of the extent, scale and nature of contamination;
 - (ii) An assessment of the potential risks to: human health
property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes;
adjoining land;
groundwaters and surface waters; ecological systems;
archaeological sites and ancient monuments;
 - (iii) An appraisal of remedial options, and proposal of the preferred option(s).
- This must be conducted in accordance with DEFRA and the Environment Agency's 'Model Procedures for the Management of Land Contamination, CLR 11'. Any remediation works proposed shall be carried out in accordance with the approved details before any development takes place.
- 9 Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy ENV9 of the East Cambridgeshire Local Plan 2015.
- 10 In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported in writing to the Local Planning Authority within 24 hours. An investigation and risk assessment must be undertaken and approved in writing by the Local Planning Authority. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by the Local Planning Authority. The necessary remediation works shall be undertaken, and following completion of measures identified in the approved remediation scheme a verification report must be prepared, and approved in writing by the Local Planning Authority.
- 10 Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policy ENV9 of the East Cambridgeshire Local Plan 2015.
- 11 Prior to first occupation or commencement of use details of the boundary treatments shall be submitted to and approved in writing by the Local Planning Authority. The boundary treatments shall be in situ and completed prior to the first occupation on the site. All works shall be carried out in accordance with the approved details.
- 11 Reason: To safeguard the residential amenity of neighbouring occupiers, in accordance with policy ENV2 of the East Cambridgeshire Local Plan 2015.
